

Complex problems **need** connected people

I build consensus within & between organisations by creating a safe & objective space for people to talk through issues and work up their own solutions, helping people to understand the wider strategic context in a clear accessible way

<p>Facilitation</p> <p>Partner workshops to develop strategies and better collaborative working</p>	<p>Asset mapping</p> <p>Identifying other relevant services & how your staff can work with them</p>
<p>Consultancy</p> <p>Tailored support to identify and design solutions to specific problems</p>	<p>Training</p> <p>Bespoke peer learning, training needs analysis</p>
<p>Organisational development</p> <p>Team away days, skills audits, strategic planning for trustees / staff</p>	<p>Research</p> <p>Surveys and focus groups, evaluations, in-depth studies</p>

Domestic Abuse Strategy development workshop

Mental Health asset mapping

Family Hubs speed networking

Kairos WWT strategic planning

"That was an exceptionally well run workshop. It helps to have such a clear focus and pace."
