Approval process

Approval of VCSE membership of VAC is based on meeting the above eligibility criteria. VAC does not vet organisations in any way nor their policies and procedures or working practices. VCSE Alliance membership is subject to the Chief Executive's approval. The Management Board of VAC will be notified of the approved groups at their subsequent meeting.

Organisations not deemed eligible may still be held on the database and receive VAC communications but will not have membership rights nor access to some benefits.

Renewal of membership

At the beginning of April each year, VAC will automatically renew VCSE Alliance membership unless otherwise notified by members. VAC will contact members to check that information held is still correct and to confirm that membership has been renewed.

Retention of membership information and Data Protection

Unless instructed otherwise membership forms will be retained by VAC for a period of three years after which time they will be securely destroyed. For further information regarding data protection please click on link <http://www.vacoventry.org.uk/privacy-policy>

If you would like a copy of VAC's Data Protection policy please email us at info@vacovertry.org.uk

Suspension or termination of membership

VAC reserves the right to suspend and/or terminate the membership of an organisation if its continued membership of the VCSE Alliance could potentially bring VAC into disrepute. Suspension can be immediate subject to authorisation by an officer of the Board and termination would be decided by a regular meeting of the Board having given the organisation reasonable opportunity to respond and to remedy the issue that has brought about their suspension. The decision of the VAC trustees shall be final.
