IMPROVING LIVES

This is for unemployed or NEET adults aged 18+ who want to explore volunteering in Coventry and build confidence through practical experience. The course runs for 6 weeks, with 12 interactive sessions on Tuesdays and Thursdays, 10.30am–12.30pm. You'll have access to one-to-one support to address volunteering or employment barriers. We'll help you to focus on your future, build confidence in your skills and abilities, and develop the knowledge needed to find and secure volunteering or work roles.

CHAT CENTRAL

These sessions are FREE and open to anyone who lives in Coventry aged 18 or over. We provide a friendly and supportive space for anyone who may feel lonely or isolated, or who wants to build their confidence and feel more connected to other people and the local community. Participants can come for up to 15 sessions and unlimited volunteering. As we get to know people, we plan events and activities that they want to try out, meaning that no two months are ever the same at Chat Central.
